National Moot Court Competition at Pendekanti Law College

Hyderabad — Pendekanti Law College has inaugurated a prestigious Two-day National Moot Court Competition, bringing together law students from across the nation to showcase their skills in legal argumentation and courtroom advocacy. The event, being conducted on 9-10th November 2024, has featured esteemed chief guest **Prof. V. Balakista Reddy**, Chairman of Telangana Council of Higher Education, who has delivered an insightful address on the critical intersection of **Law and Technology**. Prof. Reddy highlighted the evolving role of technology in the legal profession and its implications for legal practice in the 21st century.

In addition to Prof. Reddy's address, the competition is graced by P. Ramamohan Rao, President of Vasavi Academy of Education, and Dr. P. Aravinda, Principal and Convenor of Pendekanti Law College. Together, they underscore the importance of honing practical skills in legal argumentation and the significance of real-world courtroom experience for budding lawyers.

Prof. Reddy has said that this National Moot Court Competition will provide an invaluable platform for students to engage in high-level legal debates, enhancing their advocacy skills while competing with peers from diverse legal backgrounds. This event promised to foster the next generation of legal professionals equipped to navigate an ever-evolving legal landscape.
